

Website Accessibility

Great Southern Bank is committed to ensuring that our website, branches, and services are providing an outstanding customer experience to all our customers, including those with disabilities.

We are working to make our website accessible using the Web Content Accessibility Guidelines 2.1. Great Southern Bank is committed to working with and providing reasonable accommodations to individuals with disabilities. If you need any accommodations or assistance with any part of our website, please contact us:

Phone: 1-601-693-5141

Email: online@gsnb.com

Address: 218 22nd Ave S | Meridian, MS | 39301

Users who need accessibility assistance can also find more information through the [Federal Information Relay Service](#).

We will continually work to improve the accessibility standards of our website. We always recommend our visitors use the latest version of their web browsers and their assistive technology when accessing our website.
